

RICKMANSWORTH SCHOOL

Blended Learning Parent and Student Guidance

Teaching staff are informed of COVID-19 related absences for the following day at 16:00. This allows the appropriate arrangements to be made for students to have access to live, remote learning on the day following the reported absence.

If we are unaware of your child's absence prior to 16:00, please understand that your child may not have access to live remote lessons on their first day of absence. In this instance, your child should attempt to join the lesson via Google Classroom in the first 10 minutes of the lesson.

If they are not able to join the live lesson then your child should access appropriate work from their Year Group Google Classroom, which includes a range of remote resources:

Year 7 code: knfh3uc

Year 8 code: cqrvkyp

Year 9 code: zuqac2a

Year 10 code: ovr6dy3

[Year 11 Revision Resources](#)

Sixth Form: please visit appropriate google classroom

From the second day of absence, your child is expected to follow their timetable and join lessons via the Google Meet link, which can be accessed via the relevant Google Classroom. For clarity, the classroom codes above are for temporary, interim work that students can complete while their class teachers are informed of their absence. Once this information has been shared, students should join the Google Meet via their subject specific classroom for each lesson. Please allow up to 10 minutes for the teacher to join the Google Meet.

If you have any queries please contact Miss Parry, Assistant Headteacher, Teaching & Learning - staff.parry@rickmansworth.herts.sch.uk

Thank you for your support and we look forward to your child's safe return to school.
